To whom it may concern,

It is my absolute pleasure and honor to recommend Chace Moniz for this program. Chace and I worked together, as student and teacher respectively, at Old Colony Regional Vocational Technical High School during his junior and senior year of high school. It was over this course of time that I saw Chace demonstrate his knowledge and potential.

I thoroughly enjoyed my time working with Chace, and came to know him as a truly valuable asset to absolutely any team. He is an intelligent, good-humored, and polite young man who is well versed in several topics. Beyond that, he is dedicated and is someone who is always willing to give his all. His expertise is demonstrated in his training and expertise. Chace has earned certifications in cybersecurity, OSHA, and CPR just to name a few. He has truly been a huge advantage to our entire class. Chace put this skillset to work in order to become an exemplary student at Old Colony. Chace is also a part of the Computer Science vocational shop where he continues to hone his skills.

Along with his undeniable talent, Chace has always been an absolute joy to work with. He is a true team player and always manages to foster positive discussions and bring the best out of others. Chace has even competed in the Old Colony E-Sports team where he creates a warm and welcoming environment for all. Without a doubt, I confidently recommend Chace to join your organization. As a dedicated and knowledgeable student and an all-around great person, I know that he will be a beneficial addition anywhere he goes..

Please feel free to contact me at [zteixeira@oldcolony.info](mailto:zteixeira@oldcolony.info) should you like to discuss Chace Moniz and his qualifications further. I'd be happy to expand on my recommendation.

Sincerely,
